Dear Investor

We are delighted to announce that last night the Aurum Isis Fund won Hedge Funds Review's prestigious award for "Best Performing Diversified Fund of Hedge Funds over 10 years", an award that we were particularly pleased to win given the very high quality of the other nominees. The Aurum Isis Fund was also Highly Commended in the "Best Performing Diversified Fund of Hedge Funds over 1 year" category.

The Aurum Investor Fund was Highly Commended in the "Best Performing Specialist Fund of Hedge Funds over 10 years" category.

The goal of the Aurum Funds has always been to protect investors' capital and generate attractive returns over an extended period of time. We have been fortunate enough to have succeeded in this goal for over 15 years and we will strive to maintain this success in future.

Yours sincerely,

The Aurum Team
